SKILLED MIGRATION ASSESSMENT

VETASSESS issues the following assessment for migration purposes:

Name:	Raymond Francis Clarke
Date of Birth:	07 December 1966
Skill Assessment Identification Number:	TS209419
Applicant Passport Number:	458895284
Country of citizenship:	United Kingdom
Nominated occupation:	Carpenter - 331212
Assessment outcome:	SUCCESSFUL
Assessment document issued:	Statement of Attainment for all units of competency required for a Certificate III qualification in the construction trade of carpentry, joinery, carpentry and joinery or bricklaying (from the CPC08 Training Package), except CPCCOHS1001A which for licensing purposes must be achieved in Australia before the qualification can be issued.

Assessment: This assessment was completed on 22 October 2011 by VETASSESS.

You have successfully achieved all the competencies required for this qualification that may be assessed outside of Australia.

Based on the assessment, you meet the requirements of the nominated occupation and are assessed as suitable for migration purposes.

Upon arrival in Australia, you will be required to complete a program of training to achieve the unit of competency *CPCCOHS1001A Work Safely in the Construction Industry*. The unit relates directly to the general induction training program specified by the *National Code of Practice for Induction Training for Construction Work* (ASCC 2006). Successful completion of this unit is mandatory for eligibility to apply for a White Card with an Occupational Health and Safety Licensing Authority in Australia.
