To whom it may concern,

Ray Clarke of Clarke Interiors has been a sub contractor for The Wagstaff Interiors Group for the past 5 years. As a leading interior fit out company in the UK market our reputation is on the line every time we use sub contractors.

Ray Clarke and his company have been an exceptional asset to our company and have completed many projects for us on time and more importantly on budget.

The scope of works that Ray has been involved with, include ceiling work, plastering and carpentry all of which are produced to a high standard. It is Ray's eye for detail and the willingness to 'go the extra mile' to ensure a job is completed to the clients satisfaction that impresses me so much.

On behalf of The Wagstaff Interiors Group I would recommend Ray very highly for any work that me be required in any of the skillsets listed above.

Yours sincerely,

WAGSTAFF INTERIORS GROUP
